2. The shuffleboard building is currently under review for repairs. What would you like to see done with the building? Some thoughts:

Add windows and new door - remain shuffleboard only

Keep one lane and cover over other lanes for game room

Build a pony wall to separate the shuffleboard lane(s) and make a game room

Move the pool tables, move the ping pong table, add a dart board and air hockey - leaving one shuffleboard lane

Arts and craft area

Open up and make an outside BBQ area
